

**Gorham Business & Civic Exchange  
Gorham Marketplace 2010  
Exhibit/Vendor Policies**

1. All exhibitors that participate in the Marketplace must be members or sponsored by a member of the Gorham Business & Civic Exchange.
2. Each business is required to have its own booth. Financial assistance is available for businesses that express special need. A letter that describes the need must be addressed to the Board and financial help will be considered and awarded on a confidential basis.
3. Sponsored non-profit organizations that request a booth have two options available.
  - A. They may exhibit at the cost of a booth and the membership fee is waived.
  - B. They may piggyback with a member that takes at least a double booth, and arrange payment through that business.
4. Fundraising, sales, and other kinds of solicitations must be contained within the area of the assigned booth. You may not go from booth to booth asking for donations or making sales solicitations. You may leave written information on booths prior to the show opening (between 3-6 p.m. on March 26 and until 9:30 a.m. on March 27th).
